

Fee Schedule / Forensic Consulting & Expert Witness Services

The fee schedule outlines PowerCET Corporation's policy with respect to undertaking forensic consulting and expert witness services.

Forensic Consulting Services..... \$300/Hour

Forensic Consulting Services..... \$2400/Day

Service fees include forensic engineering, case research, data analysis, product testing, facility or field evaluations, preparation of reports and attorney technical briefings. Activities which extend beyond the normal 8-hours will be billed at the hourly rate for the total hours actually worked. The daily rate is the minimum billing for out-of-time activities. Equipment expenses are not included in the consulting services rates—see PowerCET's *Equipment Usage Fees* price list. Minimum billing increment 15-minutes per activity.

Expert Witness Services \$375/Hour

Services fees include depositions and court appearances.

Litigation Retainer \$5,000/Case

A non-refundable \$5000 retainer is due upon acceptance of the litigation activity by PowerCET Corporation. Consulting services, expert witness services and expenses (travel, meals, lodging and equipment expenses) are not included in the non-refundable retainer and will be billed separately.

Travel Time..... \$150/Hour

Hold-over Time \$1500/Day

Hold-over time includes weekends, holidays, etc. when the consultant remains in the distant (out-of-town) location at the request of the client. Meal, lodging and incidental expenses are in addition to the daily hold-over rate.

General Terms & Conditions

Travel Time: Fees listed are for locations within 10 miles of the PowerCET office serving the activity. Locations outside this area are considered out-of-town and subject to travel expenses, including per-diem and travel time.

Overtime: Hourly rates stated above are for normal 8AM-5PM, M-F. Hours worked outside of the normal work day, weekends and holidays will be charged at 1.5-times the normal hourly rate.

Payment: All invoices are DUE ON RECEIPT. Projects extending beyond 30-days duration will be invoiced on a monthly basis.

Equipment Security: The client is responsible for the security and safety of all monitoring and test equipment during transit and at client locations.

Shipping, Handling & Insurance: These charges reflect shipping charges, handling fees and insurance fees
