| <b>Educational Seminars &amp; Training</b> .....  | <b>\$3,500/Day</b> |
| Development fees vary depending on ownership of material developed, materials and resources required. In-house education and training programs are charged at the rate of \$3500/day for 10 students--additional students are \$200/day/student--plus expenses. Instructional fees may vary depending on material and supplemental equipment required for the course. Seminars (groups of 25 and more) are charged at the rate of \$3500/day plus expenses. |                    |

## General Terms & Conditions

**Travel Time:** Fees listed are for locations within 10 miles of the PowerCET office serving the activity. Locations outside this area are considered out-of-town and subject to travel expenses, including per-diem and travel time.

**Overtime:** Hourly rates stated above are for normal 8AM-5PM, M-F. Hours worked outside of the normal work day, weekends and holidays will be charged at 1.5-times the normal hourly rate.

**Payment:** All invoices are DUE ON RECEIPT. Projects extending beyond 30-days duration will be invoiced on a monthly basis.

**Equipment Security:** The client is responsible for the security and safety of all monitoring and test equipment during transit and at client locations.

**Shipping, Handling & Insurance:** These charges reflect shipping charges, handling fees and insurance fees
